SUMMARY JURISDICTION OF THE SUPREME COURT.		Ordinance 12 of 1873, Sec. 24, and Government Notification No. 539 of 1899.
1. In the following Rules the expressions "exceeding" and "not exceeding" refer in the case of a Plaintiff to the amount recovered and in the case of a Defendant to the amount claimed.		
2. In actions or proceedings other than those for the recovery of money and in actions where claims for the recovery of money are joined with other claims, the Judge, having regard to the value and nature of the subject matter of the action or proceeding, shall direct under which of the scales hereinafter set forth the costs (if any) shall be taxed.

3. Notwithstanding anything in these Rules to the contrary, the Judge, if of opinion that the action involved a novel or difficult point of law, or that the question litigated was of importance to some class or body of persons, or of general or public interest, may award costs under Scale III to the Plaintiff on any amount recovered however small, or to the Defendant who successfully defends an action brought for any amount however small; and in actions other than those for the recovery of a debt or liquidated demand in money the Judge, if he shall think that the preparation or conduct of the case has involved unusual trouble or difficulty or for other good cause shown, may, in awarding costs, direct that they shall be taxed on any scale higher than that hereinafter made applicable.

4. Subject as aforesaid no costs shall be allowed in actions not exceeding $10, and in other actions costs shall be taxed and allowed in accordance with the following scales as well between Solicitor and client as between party and party. 5. Occasional costs shall only be allowed where from the nature of the case it was reasonable and necessary that they should be incurred.

6. In awarding the costs of any action or proceeding the Judge may at the hearing, for good cause shown, disallow the costs of any particular matter in connection with such action or proceeding.

The above scale is for twelve months. For six months six-twelfths of the fee will be charged, for nine months nine-twelfths, and so on, at the rate of one-twelfth for each month; but no fee is to be less in amount than three-twelfths. In all cases of *new* steam-ships, or of steam-ships coming under survey for a Passenger Certificate *for the first time*, a full twelve months' fee must be paid, notwithstanding that a Certificate for twelve months may not be required, and in no case of an incomplete declaration will less than three-twelfths be charged.

The fee paid in accordance with the foregoing scale covers any number of visits that a Surveyor may require to make before he is able to grant his declaration, as well as the inspection of the lights and fog signals, and of the marking of the vessel, which inspection must be made by the Surveyor before he can grant his declaration. The fee does not, however, apply to or include any inspection of lights, fog signals, or marking, made subsequently to the granting of the declaration.

The above fee does *not* cover any service under the Chinese Passengers' Acts, or measurement for tonnage.

Do. entailing unusual Attention,	30

A special survey is to be deemed to be a survey requiring more than two visits by a Government Surveyor or Surveyors, or a survey in cases in which from age or any other circumstances there are reasonable grounds for doubting the seaworthiness of the vessel. Where the case requires unusual attention and occupies an unusual amount of the surveyor's time, the higher fee of $30 and upwards will be charged, according to the special circumstances of the case and the number of visits made.

Where a declaration has been granted for a Steam-ship under this Ordinance, the survey under the Chinese Passengers' Acts will be made on payment of half the usual fee mentioned above. The fee paid in accordance with the above scale covers the inspection of the lights and fog signals, and the marking of the vessel, made at the time of survey under the Chinese Passengers' Acts. It does not, however, apply to, or include, any inspection of lights, fog signals, or marking, made subsequently to such survey.

The fee for survey under the Chinese Passengers' Acts does not cover any survey of a Steam-ship for a Passenger Certificate under this Ordinance, or measurement for tonnage, or inspection of crew spaces.

Travelling expenses (if any) and subsistence expenses (if any) due according to the scale authorised by the Governor, will be charged in addition to the fees.

HONGKONG VOLUNTEER CORPS.

The Corps as it existed until 1893 consisted solely of an Artillery Corps. It was not made subject to the Army Act, and consequently was not held to be in a military sense a reliable force in the event of war.

In 1893 the force was disbanded by the Government and a new Volunteer Corps was formed under Ordinance No. 6 of 1893, which placed the Corps under the supervision of the military authorities as in England, and made it subject to the Army Act to the same extent as the Volunteer Force in England. Amended Regulations were made by the Governor-in-Council on the 25th May, 1899.

The establishment of the Corps has now been fixed as follows:—

1 Battery of Light Field Artillery,	110
3 Machine Gun Companies,	141
1 Engineer Company,	40
1 Infantry Company,	77
and a Band,	24

with a Staff of 1 Lieut.-Colonel Commandant, 1 Major 2nd in Command, 1 Adjutant and Quarter-Master, 2 Medical Officers, 1 Corps Sergeant-Major, and 1 Orderly Room Clerk.

The Staff is Complete, and the other Units have been formed, with actual strength as follows:—

Field Battery,	78
Machine Gun Companies,	153
Engineer Company,	27
Infantry Company,	52

There are in addition 12 unenrolled Boy Drummers.

2. *Ordinance* No. 10 of 1865.—Offences against Coinage, but sections 4, 5, 16, 17, 26 and 27 not in force by Proclamation in *Gazette* of 21st October, 1865, under the Ordinance.

3. *Ordinance re* Chopping Dollars.

4. *Order in Council of 2nd February, 1895*, published in *Government Gazette Extraordinary* of 30th March, 1895, declares that Mexican Dollars, Hongkong Dollars and British Dollars or other Silver Dollars of equivalent value duly authorised by the Governor of Hongkong shall be the only legal tender, and provides that Silver Coins representing some multiple of the cent or one-hundredth part of the said Dollars shall be a legal tender for any sum not exceeding Two Dollars, and that Copper or Bronze Coins representing the cent or one-hundredth part, or the mil or cash representing one-thousandth part of the Dollar shall be a legal tender for any sum not exceeding One Dollar.

The above Currency consists of the following Coins, viz.:—

1. The Silver Dollar of Mexico.
2. The Hongkong Dollar and Half-Dollar issued from Her Majesty's Mint, at Hongkong.
3. The British Dollar.

THESE QUESTIONS ARE TO BE FILLED UP IN RESPECT OF EACH PRISON IN THE COLONY.

Questions.

I. If the Prison is on the separate system, is this separation complete? And if not, what is the separation enforced by day and night respectively?

II. If not on the separate system, what provision is there for the supervision of the prisoners while in association?

III. How many cells are there; and how many associated wards?

IV. Taking the average number of prisoners in Gaol, how many cubic feet of space are there for each prisoner during the hours of sleep?

V. How are the prisoners classified?

Answers.

The Prison is nearly all on the separate system. European and Asiatic prisoners both new and old offenders are located in separate cells except when the total number of prisoners exceed 514.

All cell doors are provided with inspection holes through which the prisoners can be seen by the officers patrolling the wards. While at labour or exercise the prisoners are at all times under the immediate supervision of Principal Warders, Warders, and Assistant Warders.

There are 500 cells on the separate system, and 14 associated cells.

In separate.....664 cubic feet.
In association ....(approximate) 220 „ „

First offenders are treated as far as accommodation will permit as the star class men in the Home Prisons; they are kept quite distinct from the habitual criminals.

In classification their sentence and nationality are taken into consideration; they are classified as follows, viz.:—

Europeans, Indians, and Chinese.

Debtors.
Misdemeanants.
On remand and awaiting trial.
First offenders.
Habitual criminals.
Juvenile offenders.

1901.

CIVIL HOSPITAL RETURN.

NOTE.—On the first occasion of filling up these Forms, a Plan of each Floor of the Hospital should be sent home. Each such Plan should be the size of the Blue Book sheet. In subsequent years, if there has been no material alteration in the Buildings, or addition to them, it will be sufficient to refer to the Blue Book in which the Plans were sent home.

If the Buildings are afterwards altered or enlarged, fresh Plans should be sent home with the Blue Book of the year in which the alterations were effected.

The Civil Hospital is now complete, all the wards being open.
